MEMORANDUM FOR: All CS Division and Staff Chiefs

SUBJECT: Training Guidance

REFERENCE: [ ] dated 5 November 1964

25X1

25X1

1. [ ] established the Clandestine Services Training Board to provide guidance to the Office of Training in connection with the instruction of Clandestine Services personnel. During Board deliberations it has become apparent that the Board recommendations to the DDP encompass not only guidance for the OTR but also suggested standards of training for CS personnel. Those recommendations of the CS Training Board approved by the DDP should become training standards to be adopted by all components of the Clandestine Services.

2. In order to inform all responsible officials of the CS of those procedures and patterns of training recommended by the CS Training Board and approved by DDP, a series of Training Guidance memoranda will be published periodically. It is requested that the guidance contained in these memoranda be observed by CS officials responsible for the assignment and training of CS personnel.
